PLAT

OF THE CLAIM OF
Will L. Baughman

KNOWN AS THE
LODESTONE LODE

IN *No organized* MINING DISTRICT,
Los Angeles COUNTY *California*

Containing an Area of _____ Acres.
Scale of *300* Feet to the inch.

Variation
SURVEYED *August 13-21,* 1926 BY
John F. Duling. U.S. Mineral Surveyor,

The Original Field Notes of the Survey of the Mining Claim from which this plat has been made under my direction, have been examined and approved, and are on file in this Office, and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

I further certify that Five Hundred Dollars worth of labor has been expended or improvements made upon, or for the benefit of, each location embraced in said mining claim by claimant or his grantors and that said improvements consist of *1 shaft, 3 cuts and 1 cut and tunnel, Value, \$2290.00*

that the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

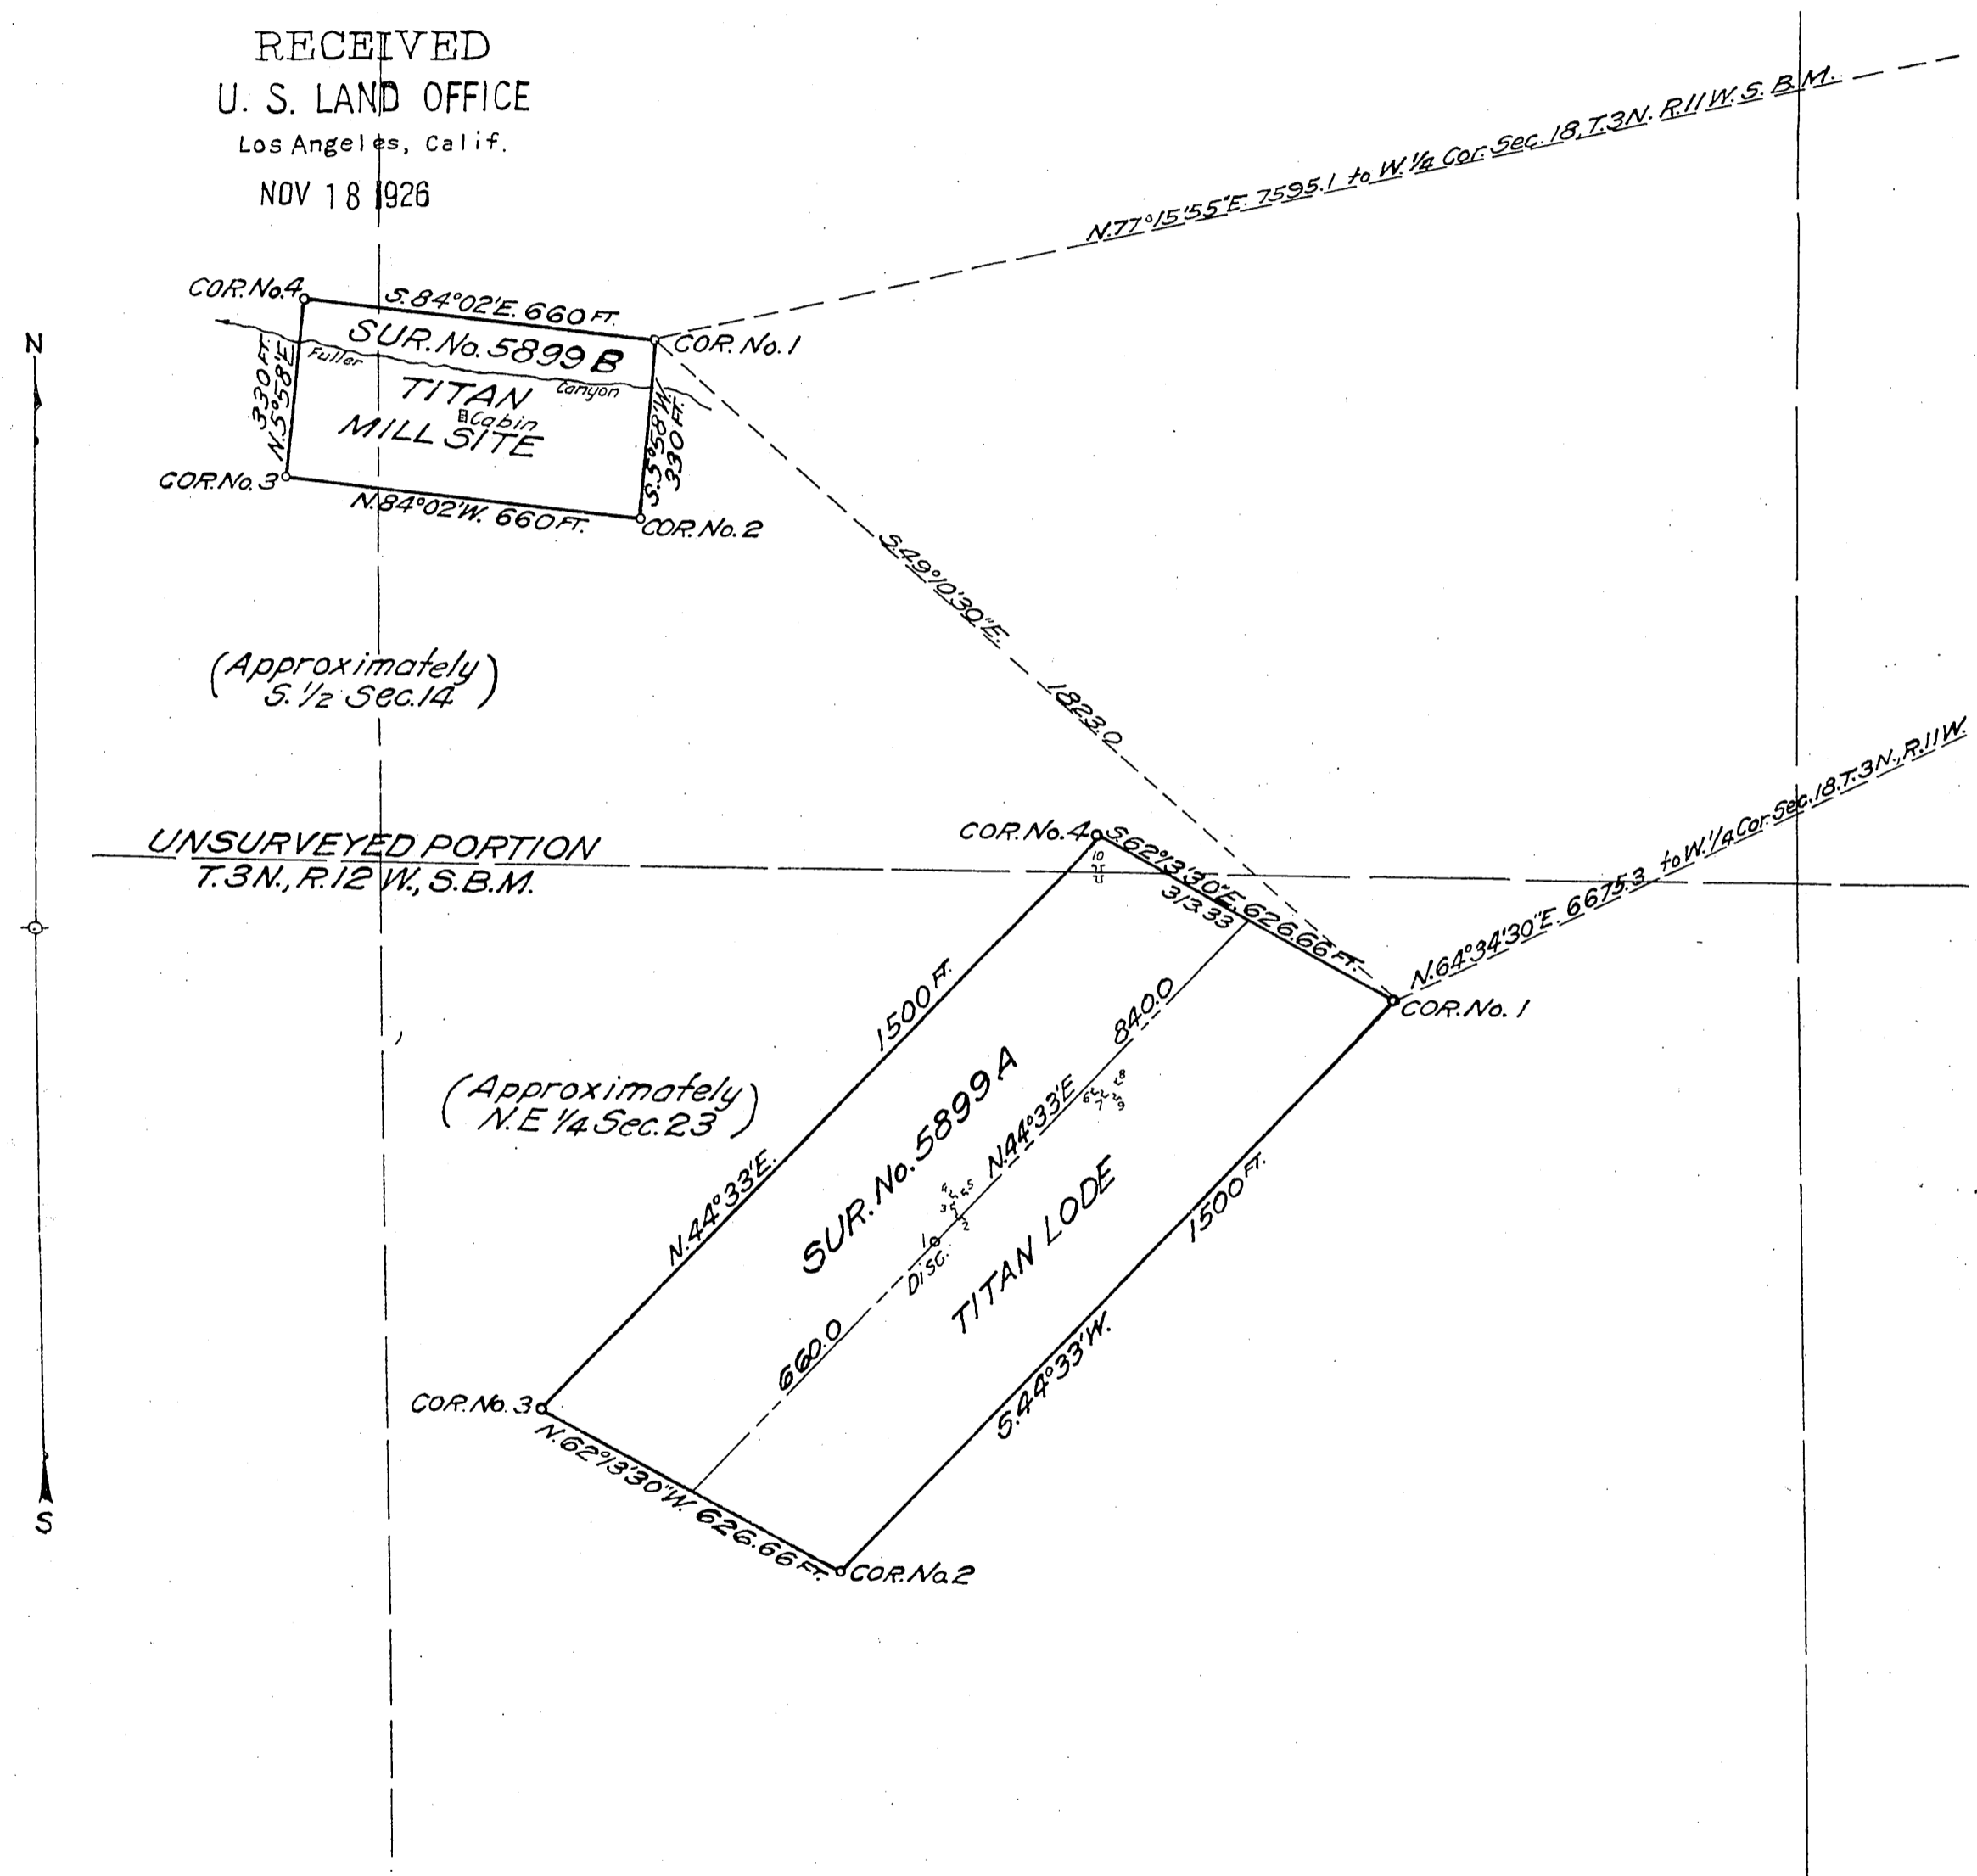

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved

TOWNSHIP 3 NORTH, RANGE 12 WEST, OF THE SAN BERNARDINO MERIDIAN, CALIFORNIA.

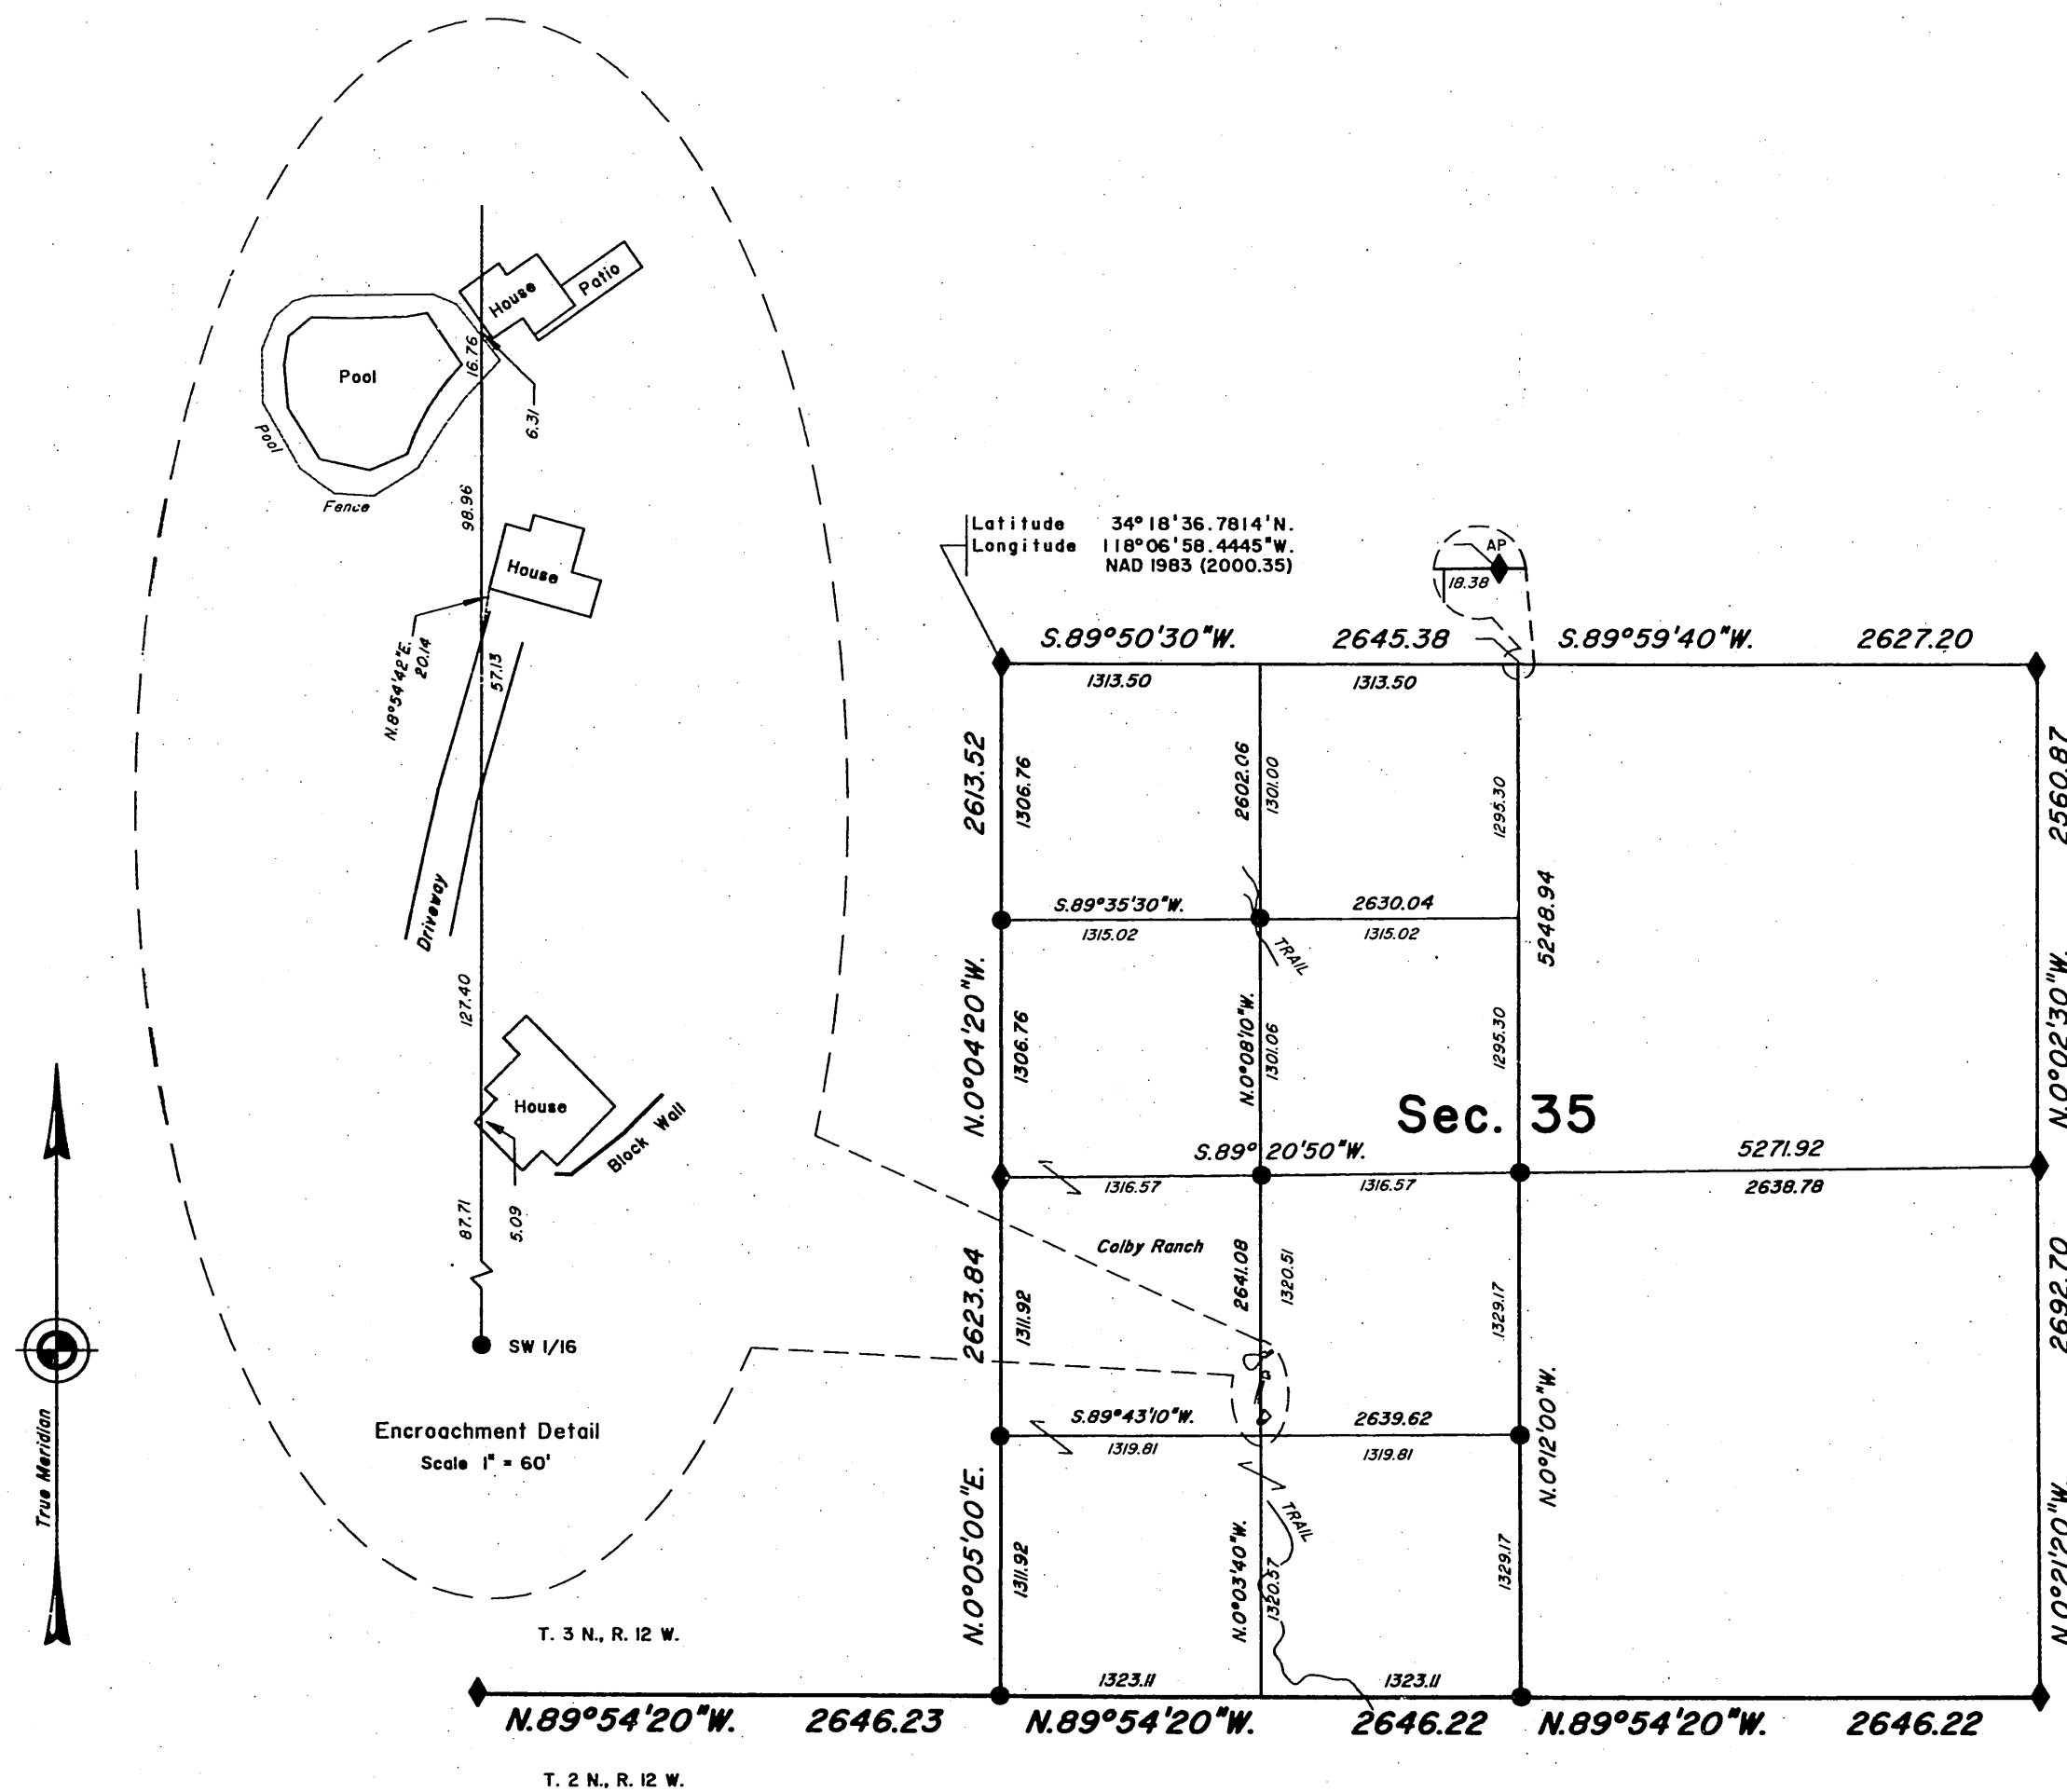

DEPENDENT RESURVEY AND SUBDIVISION

A history of surveys is contained in the field notes.

This plat represents the dependent resurvey of a portion of the south boundary and a portion of the subdivisional lines designed to restore the corners in their true original locations according to the best available evidence, and the survey of the subdivision of section 35, Township 3 North, Range 12 West, San Bernardino Meridian, California.

Lottings and areas are as shown on the township plat approved December 14, 1905.

Survey was executed by Richard L. Houston, Cadastral Surveyor, beginning April 7, 2001 and completed August 7, 2001. Pursuant to Special Instructions dated April 6, 2001, for group No. 13/5, California.
